Alice
 s'écria le lapin dans la nuit
 veux-tu bien m'emporter
 oui loin dans la nuit
 à califourchon sur tes rêves
 qui filent au galop
 Alice
 ton sourire à de l'ange
 la grâce mobile
 je l'aperçois parfois
 qui, du fond de sa tanière
 grignote paisiblement
 mon coeur, comme je voudrais te l'abandonner
 alors une noisette
 de l'automne joufflu dégringole
 sur une plage toute endimanchée
 bonjour monsieur le curé
 bonjour répondit l'hermine toute empruntée
 comme votre main de ce jour
 trace infailliblement la courbe céleste
 asseyez-vous donc
 un instant
 l'instant de ma vie
 au bord de ce rêve
 qu'Alice
 un jour à l'aurore oubliée
 m'offrit.

Alice
 cried the rabbit in the night
 will you take me away
 yes far into the night
 astride on
 your galloping dreams
 Alice
 your smile has
 the grace of the angel
 I sometimes see it
 from the depths in his den
 nibbling with peace
 my heart, how I would like to cede it to you!
 then a hazelnut
 tumbles of the chubby autumn
 on a all dressed up beach
 hello mister the priest
 hello answered the all borrowed ermine
 how your hand
 infallibly traces the celestial curve of this days
 sit down a moment
 the moment of my life
 on the edge of this dream
 that Alice
 one day at the forgotten dawn
 offered me.
