Love abounds

when strangers break bread,
when foes became friends,
when parents make amends,
when children dream big,

when feet and grass unite,
when eyes and poems connect,
when hearts and sounds echo,
when hands and art ignite,

when grace hugs guilt,
when joy walks with pain,
when peace kneels with strife,
when life comforts loss.

L'amour abonde

quand des inconnus partagent le pain,
quand des ennemis deviennent amis,
quand des parents réparent les liens,
quand des enfants rêvent en grand,

quand les pieds et l'herbe s'unissent,
quand les yeux et les poèmes se rejoignent,
quand les cœurs et les sons entrent en résonance,
quand les mains et l'art s'enflamment,

quand la grâce étirent la culpabilité,
quand la joie chemine avec la douleur,
quand la paix s'agenouille auprès du conflit,
quand la vie console la perte.
